LOCATION

Having just completed a \$33 million renovation, the Sheraton Fisherman's Wharf Hotel has unveiled a whole new look. Located in popular Fisherman's Wharf, the hotel is a few blocks from Pier 39, Ghirardelli Square and the world-famous cable car lines. Plus, both The Embarcadero and Union Square are only minutes away and can be easily reached via public transportation, which is located right out the front entrance. Getting to and from the hotel is simple, with the San Francisco International Airport only 16 miles away.

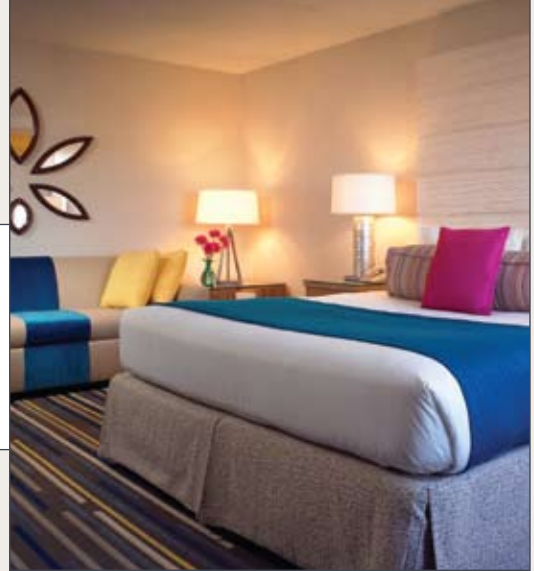

MEETING/BANQUET FACILITIES

With its lighthearted and sophisticated decor, the hotel's open spaces, like the communal lobby and outdoor living room with fire pits, make it a unique gathering place in San Francisco for conferences, meetings and social events.

- The outside Courtyard, adjacent to the Marina Ballroom, boasts a secluded spot in the heart of Fisherman's Wharf
- All areas have wireless Internet access available, and free Internet access is provided in the lobby
- Three separate ballrooms that can all be sectioned off to form more intimate space
- Outdoor reception area adjacent to the Embarcadero Ballroom features outdoor seating and fire pits
- Two breakout rooms also provide flexible event space for small meetings and events
- The Deck provides 1,100 square feet for receptions, exhibits or dedicated registration area
- Sol Café can accommodate up to 50 people for private luncheons, receptions or dinners
- On-site audiovisual services

HOTEL AMENITIES

All 531 smoke-free guest rooms offer modern, colorful accents with flat-screen TVs, high-speed Internet and Sheraton Sweet Sleeper BedsSM. Guests stay connected with complimentary Internet in the lobby, business center, concierge, on-site car rental and valet or self parking. The heated outdoor pool and fitness center provide simple relaxation, while the hotel's three dining options — Sol Breakfast Café, Spressi and room service — offer fresh and easy meals.

GREEN FEATURES

The Sheraton has introduced a new environmentally sustainable "green" guest room cleaning process, utilizing a wide range of environmentally friendly products. The hotel also implemented a recycling and composting program within all areas, including guest and meeting rooms.
